with weekend meals by volunteers and sent home with students on Fridays during the school year. The entire Pearl City community supports this ministry with various item and monetary donations.

Context:

List three ways the community in which you are located has been challenged by change and transition in the last three to five years.

Our community has been impacted by the growth of non-denominational churches. Recent decisions by the worldwide United Methodist Church have led to several new non-denominational churches being formed in the Pearl City area.

Our youth ministries have declined in the last several years. Weekend sports outside of the community have contributed to a decline in attendance of the youth.

With the loss of a permanent pastor and youth leaders, our youth programs have been revived with congregational members leading Sunday school and confirmation. The weekly bible studies have been restarted with an interim pastor.

Programs:

Describe your congregation's or organization's current programs for mission and ministry.

St. John's has a strong focus on outreach ministries in the community and beyond. Our congregation supports ELCA World Hunger, ELCA Disaster Relief, ELCA Mission Support, Lutheran World Relief and ELCA Good Gifts. Closer to home, our programs include a greeting card ministry, Pearl City food pantry, school supply collection, item collection for veterans, mitten/hats/scarves collection for the school system. The Healthy Wolves backpack program for the school students is strongly supported, as well as the free monthly Grace meal, which serves approximately 240 every month. The outreach committee plans family fun nights and sponsors a laundry day for the community. The laundry day provides free detergent and money for washers and dryers at the local laundromat. The Health Ministry committee provides hand sanitizers in the pews and has a bulletin board with health updates. This ministry plans a flu clinic in the fall and an annual health fair, both of which are open to the community. Our youth and education programs include weekly Sunday School during the school year, community VBS and confirmation.

St. John's has a monthly men's breakfast at a local restaurant for fellowship and good times.

The women's group has a large attendance at monthly bible studies. Some of the activities this energetic group plans are: a prayer shawl/quilt ministry, organized social activities including day trips to theaters, euchre/dominos parties, Christmas and summer get to-gathers, baby wipe collections for Mother Hubbard's Cupboard, and an email prayer chain. The women's group has a monetary collection for gift cards given to needy families at Thanksgiving and Christmas. This group serves funeral luncheons and delivers Easter recognition to shut ins. The women's group plans and serves receptions for special occasions.

St. John's worship and music committee is very active in planning weekly and special services. Many liturgies are used during the services. The committee (with help from the congregation) decorates the church and Luther Hall (our community room) throughout the year. This committee helps with scheduling assisting ministers. We have a chancel choir that sings twice a month. The music and worship committee helps facilitate congregational involvement in all services.

Goals:

What are the primary goals of your ministry site (please refer to any Strategic Plan that has been adopted).

We endeavor to live out our mission statement together: Ever Loving, Caring Always. We will continue to empower lay leaders to create more opportunities for outreach and fellowship. We seek a pastor to feed us spiritually and work with us to revitalize our youth programs, provide member care and preach the Good News.

Energy:

What is your congregation or organization really excited about right now?

St. John's has successfully had first call pastors. We are experienced with change, which includes nurturing and growing with the pastor. The congregation will walk alongside and support whoever accepts a call to St. John's. Our congregation is excited about our future together. We are a community of Christ who are eager to look for new opportunities to study God's Word, equip our people for spiritual growth, and welcome the community for fellowship. We hope to call a pastor who is also excited about these things and who will walk alongside us, preaching, teaching, and sharing our passion.

Partnership:

How does this congregation or organization see itself as a member and active participant in the Evangelical Lutheran Church in America

and the synod?

St. John's Lutheran Church is a member and active participant in the Northern Illinois Synod of the ELCA. Mission support is 10% of current offerings. Voting delegates from the church attend the annual synod assembly. Many of our members have attended the WELCA Triennial assemblies and the youth have attended the National Youth Gatherings

Purpose, Giftedness and Mission

Purpose

How does this congregation or organization understand its reason for being in the light of God's call to mission and service? Who are you? Why are you here?

"Ever Loving, Caring Always". We are a strong congregation diligently committed to service because of our relationship with Christ. St. John's serves the community by bringing them God's word and by feeding them physically and spiritually. Based on our vision, our emphasis is growing and strengthening key areas of church life: youth and family ministries, stewardship and outreach, and Bible studies.

Giftedness

What are your gifts and resources for fulfilling this purpose? What are the congregation's or organization's top three assets and how are they being used? Are there obstacles that must be overcome to be able to use these gifts and accomplish the mission?

1. We are excited to learn and grow in our faith. We preach and teach the Word of God, witnessing to the reconciling Word of God to reach out to all people. As a church family, we grow in love and care for one another as we build our relationships with others and with Christ.
2. We have the skills to share in our congregation and serve outside our walls. We creatively challenge, equip, and support all members in carrying out their calling in their daily lives and in the congregation. We have many talented members who share their gifts within the church and community.
3. We have the ability to accomplish worthy tasks and projects. We respond to human need through our congregation's history of faithfulness and generosity and with innovative programs and projects to expand our reach locally. Stewardship of our time and talents, our outreach has become a hallmark of our identity as a congregation in the community. Our facilities are kept in beautiful condition and are used not just by the congregation, but also by the community. Our building is handicapped accessible with an elevator to four floors. St. John's is the standardized testing site for the school and is the safe haven for the school in case of an emergency evacuation. Our facility is the meeting place for girl scouts, boy scouts and 4-H clubs. A well-kept parsonage is available, if desired.

Mission

In light of the way you have described your ministry context in this Ministry Site Profile, what are the top three mission priorities which, if accomplished, hold the most promise for the continued development of this ministry?

1. Expand the scope of opportunities for youth and families through events, ministries, and the study of God's Word in confirmation and beyond, while making a commitment to an inter-generational approach to ministry.
2. Becoming God's hands and feet in the Pearl City area and in the world through continued and expanded stewardship and social ministry outreach.
3. To continue our fellowship in the community by bringing people to Christ with innovative and creative worship, while maintaining the best of our traditions.

PART IV: COMMENTARY

You are encouraged to offer information or commentary that will help the reader appreciate the vision, opportunities, challenges and nature of your ministry site. Use this opportunity to creatively promote and commend your ministry possibilities.

St. John's Church was established in 1888 and continues to be a vibrant and active congregation. Our mission statement of "Ever Loving, Caring Always" is evident in the ministries that we do. These ministries include but are not limited to: serving approximately 240 free meals to community members every month through our Grace Meal program, providing weekend backpacks of food to students who are food insecure through our Healthy Wolves ministry and giving our support to community members through our Social Ministry and Outreach committees. The men's group meets once a month for breakfast and fellowship. There is a strong women's ministry which meets once a month for Bible studies and fellowship. This group provides many services that have been previously stated. Our members are very intentional of being good stewards of our God-given talents and we are always looking for opportunities to expand our ministries. St. John's congregation has a strong feeling of being a family. This is evident in everything we do.

St. John's has a 9:00 am worship service on Sunday mornings that is live streamed. The live stream can be accessed through St. John's Facebook page or through our church website. The live stream has helped us to reach those in the community and beyond who may be home bound or unable to attend in person.

Our church has been remodeled several times and we most recently went through a building addition in 2007. The remodel allows us to extend our ministries to the community. Our church is handicap accessible. The building addition added a large kitchen, Luther Hall, modern bathroom facilities, a full lower level with a conference room, Sunday School rooms, storage and an elevator reaching all four floors. St. John's has a spacious, well-maintained parsonage for any spiritual leader who would like to utilize it.

St. John's Church is located in Pearl City, Illinois, a village of over 800 residents in the beautiful rolling hills of northwestern Illinois. Pearl City has grown over the last 25 years with the addition of two new subdivisions. Pearl City has a Pre-K through 12th grade school. The high school received an "exemplary status" on the Illinois school report card in 2023. This status puts it as one of the top 10% of high schools in the state of Illinois. There is an excellent daycare program at the school, which was started with the help of St. John's. The church gave a generous monetary donation to help implement this program. Pearl City has a vibrant park district that has a summer program for children and sports programs. We have a very active public library, a volunteer fire department with a newly built firehouse, a post office, a newly developed dog park, and a village hall located within the firehouse building. There is a cemetery located on the north edge of town.

There are many businesses in Pearl City, including but not limited to, a bank, gas station with a quickmart, a general merchandise retailer, two restaurants with bar facilities, a lumber yard, insurance agent, a funeral home, a quilting shop, body shops, a plumbing business, a car dealer, car wash, laundromat, and a dog groomer. Pearl City is also the headquarters for Pearl City Elevator, which is a large agricultural company in northwest Illinois.

There are many active clubs in Pearl City, such as two 4-H clubs, Boy and Girl Scout troops, FFA, Lions Club, Legion & Legion Auxiliary. There are many recreational opportunities in the Pearl City area. There are seven golf courses within ten miles. Lake Carroll is a nearby lake community where some of our members live. It is only seven miles from Pearl City and offers a golf course, a clubhouse with a restaurant that is open to the public, boating, swimming, and fishing. There is an extensive snowmobile trail system in the Pearl City community. This trail system is maintained by the Sno Pearls snowmobile club so that residents can use the trails during the winter months. Pearl City is located 10 miles from Lake Le-Aqua-Na State Recreation Area, which has a 40 acre lake, hiking and multi-use trails, picnic areas, and campgrounds.

There are additional shopping opportunities in Freeport, Illinois, which is a town located ten miles east of Pearl City. Freeport is a town of over 25,000 residents. Pearl City is an hour away from Rockford, Illinois, and just over two hours from Chicago, Illinois. The historic town of Galena is less than an hour from Pearl City. Urban areas are within one and one half hours away of Pearl City in all directions.

St. John's Church looks forward to sharing our exciting ministries with a spiritual leader with which we can work and grow together.

PART V: COMPLETION OF PROFILE

Discernment Process and Adoption

Please describe the process used to gather information, formulate responses, and officially adopt this Ministry Site Profile. (Approximately 100 words maximum).

St. John's congregation appointed six members to the call committee. Survey questions were handed out on two different Sundays before service. Each Sunday had a different question. Surveys were collected at the end of the service. Later, a comprehensive pastoral search survey was provided (email and paper) with a return deadline. The results were compiled, summarized and edited by the call committee. Input was received from the church treasurer and parish administrator. The MSP was then completed.

Enter the date on which this Ministry Site Profile was adopted by vote of the Congregation Council or organization's **6/5/2024** board:
